NOTICE TO HUNTERS - INVASIVE SPECIES

Individuals are reminded that when they take livestock into the wilderness, they should purchase locally grown feed that is known to be invasive plant-free or use pelletized and processed feed. The spread of invasive plants is common every year and can be prevented by using local weed-free feed, pelletized and processed feed and checking and cleaning all vehicles to ensure they are weed-free before leaving home. It is suggested to ensure that livestock are fed weed-free feed 2 days prior to departure and including travel time into the wilderness. It is recommended to bring and utilize feed bags, buckets or troughs with you while in the wilderness to minimize potential ground disturbance by feeding or salting at temporary cam sites and trail heads. For further information on this matter, please contact your local Ministry of Agriculture and Food or Ministry of Forests. Play an important role in invasive species with the **Report Invasives BC** app. For more information on the app visit: www.gov.bc.ca/ invasive-species

NOTICE TO HUNTERS!

Region 7B is the traditional territory of Treaty #8 and Kaska First Nations. Members of these First Nations exercise their treaty and aboriginal rights throughout the Peace-Liard and at all times - please be respectful of this activity.

Hunters are encouraged to use all parts of wildlife harvested within the Peace-Liard and to participate in wildlife health and sampling programs. Please refer to Information for Hunters on the wildlife health website (gov.bc.ca/wildlifehealth) to learn more about how you can assist in improving upon current understandings of wildlife health in the Peace-Liard.

Dane nan yé dāh Kaska Land guardians are actively monitoring and patrolling in the Kaska traditional territory, interacting and sharing information with all land users in regards to promoting safe and respectful hunting. Daylu Dena Council encourages B.C. hunters to contact the Daylu Lands and Resources (located in Lower Post) office at 250-779-3161 Ext. 0 and Dease River First Nation Lands and Resources officer (located in Good Hope Lake) at 250-239-3646 prior to beginning your trip.
